

## CURRICULUM VITAE

Mr Peter Holler (GER)

Born in the South German university city of Freiburg in the Black Forest I started riding at an early age in a local riding club near Koblenz on the river Rhine. After one year learning to ride on the club owned school horses, I got my first own horse and eventually began competing in all three disciplines (Dressage, Show Jumping and Eventing). In the following years I was successful with different horses in dressage competitions (in Europe and in the US/Canada) up to Grand Prix Level and in show jumping classes up to 1,50 classes.

I then concentrated more and more on dressage and trained with some of the best known German trainers such as Dr. Klimke, Harry Boldt, Werner Bergmann, Gerhard Politz, and Manfred Bröker. After obtaining my degrees in Economics I discontinued my active showing career and devoted my time to passing the FN exam as a riding instructor.

I now run a Public Relations business and in my spare time train several riders, among them Susanne Lebek, a former gold medallist in the European Championships of Young Riders and currently a very successful International Grand Prix rider (ranked under the top 40 in the world and in 2003/4 winner/placed at CDI\*\*\*s and CDIOs e.g. Wiesbaden (GER), Munich (GER), Rotterdam (NED), Hickstead (UK), Fritzens-Wattens (A) and Saumur (FRA). Previously I also trained her sister Barbara who was twice a member of the Austrian Team at the European Dressage Championships.

I am on the FEI panel of International Judges (status I) and in the last several years have judged many shows in Germany and all over the world such as the German Championships, Bundeschampionate, World Championships for Young Horses, European Championships for Juniors and Young Riders, CDIOs and CDI\*\*\*s like Wiesbaden, Frankfurt, Oldenburg, Olfen, Vejer de la Fronteira, Lipica, Minsk etc. I was judge in the Challenge Tour Group 6 in 2003 and 2004 with shows/clinics in Czech Republic, Slovakia, Estonia, Latvia and Lithuania) and went as a clinician and trainer to Central America, Indonesia, Belarus, South Africa and many other countries. I give clinics and seminars for riders, trainers and judges on a regular basis in Germany and abroad.
